

This topographic map depicts the Columbia River and its extensive drainage basin in Washington state. The river is shown in a prominent blue, winding from the north-central part of the map towards the south. Major tributaries include the American Fork, Big Sheep Cr., Flat Cr., Pile Cr., and the Snake River (labeled as Snake River Cr. and Snake River). Other labeled features include the Silver River, Republic Cr., and the Snake River. The map is overlaid with a grid of dashed lines representing townships and ranges, with labels such as T40N, T39N, T38N, T37N, T36N, R37E, R38E, R39E, R40E, R41E, and R42E. A scale bar at the bottom indicates distances in miles, and a north arrow is located in the bottom right corner. The terrain is represented by contour lines and shaded relief, showing a mix of high and low elevations.
